INDIAN PORTS & SHIPPING 2014
14th February 2014, Taj Mahal Palace, Mumbai

Background

The Bombay Chamber of Commerce & Industry was the first to organize an International Conference in India dedicated to shipping fraternity. Continuing our tradition of focusing on growth and regulatory aspects, the focus of the 8th Biennial International Shipping Conference 2014 is on:

- ▶ Sharing best international experiences
- ▶ Hammering on vital changes much needed for Indian maritime industry
- ▶ Creating awareness regarding viable investment and operating models for ports and shipping
- ▶ Suggest innovation in total logistic management
- ▶ Recommend alternative means of revenue for market players and the governments
- ▶ Fostering socially responsible business

Sessions

"Why are Indian Shipowners re-flagging outside India?"

"Evolving Role of Ports in the Nations' Economy"

"Promoting Coastal Shipping & Inland Waterways"
