MANSA appreciates DP World Nhava Sheva Terminal on its inauguration of 'Y-Junction Vessel Indicator'

Mumbai : The Members of MANSA join hands and appreciate the DP World International Container Terminal for their foresight and customer friendly approach in recently installing & inaugurating the "Y-Junction Vessel Traffic Indicator" after due consultations

with all Stakeholders and taking them into confidence.

We are happy to note that this initiative of the Terminal will assist to regulate the movement of Containers without much hassle and undue long queues, facilitating faster movement of containers in and out from the Port. We look forward to more and more such

innovative measures from the Terminals to the benefit of the Export Import Trade.

MANSA assures their support to DP World for all their initiatives to improve the traffic issues outside the Port.

MANSA lauds DP World Nhava Sheva for installing vessel traffic indicator at Y-Junction

Exim News Service

MUMBAI, Feb. 12

THE Mumbai and Nhava Sheva Ship-Agents' Association (MANSA) has appreciated JN Port's DP World Nhava Sheva container terminal for its foresight and customer-friendly initiative in installing and inaugurating a 'Vessel Traffic Indicator' at the Y-Junction after due consultation with all stakeholders and taking them into confidence.

"We are happy to note that this initiative of the terminal will assist to regulate the
